

Find and Hire Top Global Talent Anywhere, Anytime

with PrismHR Global

Source and Support Top Talent Around the World

PrismHR Global Talent Solutions enables service providers to help clients access qualified talent around the world. Whether clients need recruiting support to fill key roles or a fully managed workforce solution with ongoing HR oversight, PrismHR Global provides scalable services that simplify global hiring while reducing operational complexity.

GLOBAL TALENT RECRUITMENT

For clients looking to recruit top talent globally

Ideal for organizations that need recruiting expertise while maintaining day-to-day management of their workforce.

Source qualified candidates across global talent markets

Target candidates based on country, industry and role

Accelerate recruiting and hiring timelines

Transition seamlessly into Employer of Record services when needed

GLOBAL TALENT MANAGEMENT

For clients seeking a fully managed international workforce

Ideal for organizations that need ongoing workforce support beyond recruitment.

Everything included in Talent Recruitment

Support workspace and housing arrangements where available

Provide local HR administration and employee support

Help navigate local employment practices and cultural considerations

Finding qualified talent internationally requires local expertise, market knowledge and an understanding of regional employment practices. PrismHR Global helps service providers deliver global talent solutions that expand client hiring capabilities while simplifying recruitment, onboarding and ongoing workforce support.

Help your clients hire global talent faster and expand through PrismHR Global Talent Solutions.
